with regard to the government of counties and other local corporations.

III. The government of counties.

Section 1. Section 1. Section 1.

The government of counties shall be vested in the county commissioners, and shall consist of a board of three members, to be elected by the people of the county, and holding office for a term of three years, and the county commissioners shall have power to appropriate the funds of the county for the payment of debts apopulated by the county and to construct and maintain roads, bridges, and other public improvements, and to levy taxes for the same purpose, and to do all other things necessary for the government of the county.

Section 2. Section 2. Section 2.

The county commissioners shall be elected by the people of the county, and shall hold office for a term of three years, and any person who shall hold office as county commissioner for a longer term than two years shall be disqualified from holding any office in the county during the term of his office.

Section 3. Section 3. Section 3.

The county commissioners shall have power to levy taxes for the payment of debts apopulated by the county, and to appropriate the funds of the county for the payment of debts apopulated by the county, and to construct and maintain roads, bridges, and other public improvements, and to levy taxes for the same purpose, and to do all other things necessary for the government of the county.

Section 4. Section 4. Section 4.

The county commissioners shall be elected by the people of the county, and shall hold office for a term of three years, and any person who shall hold office as county commissioner for a longer term than two years shall be disqualified from holding any office in the county during the term of his office.

Section 5. Section 5. Section 5.

The county commissioners shall have power to levy taxes for the payment of debts apopulated by the county, and to appropriate the funds of the county for the payment of debts apopulated by the county, and to construct and maintain roads, bridges, and other public improvements, and to levy taxes for the same purpose, and to do all other things necessary for the government of the county.
