The Tacoma of the North!

FAIRHAVEN

Is destined to be a great manufacturing and commercial center, because it has

The finest harbor on the Pacific coast;
The greatest area of adjacent agricultural land;
The most magnificent forests of timber in the world;
The finest natural town site and water front;
Irrigation works of the best coal in the world;
Mountains of first class iron and copper;
Quarries of blue sand stone for building purposes;

Irrigation schemes of the greatest and most

terminatia of the Fairhaven & Southern railways, the best equipment on the coast, now being built to the
north, south and east, by which it will interest all the transcontinental railways.

In fact, Fairhaven has all the resources required to

build up a great city and give employment to a large popula-

FAIRHAVEN

Offers the same opportunity for investors that Tacoma presented a few years ago, by which scores of people have made hundreds of thousands out of the investment of a few hundred dollars. Now is the time to purchase property, as it will not be beyond the reach of small capitalists.
