THE LAND OF HOPE

The land of hope is on the rise once more. The railroad is being built, and the new mining company is about to start operations. The future looks bright, and the land is sure to be profitable.

CEREAL

We are living in the greatest age of all the ages that have been, and we are blessed twice, with all the advantages of the modern age, and yet we are at a loss to know what to do. The reason is, we are not educated.
