When Shall the Department of Roads in Yakima County Be Organized?

Speaker Sessions, W. J. Minor, of Yakima, earlier this week, favored the Department of Roads in Yakima County with a check in the amount of $5,000, which he had paid for the construction of roads in the county. The check was presented to the Department of Roads in Yakima County, which was organized last year, and which has been doing good work in the construction of roads in the county.
